

I AGREE WITH THE ELIMINATION OF THE ELEMENT 1 FROM THE RULES AND GRANT THE TECH WITH CODE HF PRIVILEGES TO ALL TECHNICIANS. THIS IS ALSO A GREAT OPPORTUNITY FOR THE FCC TO SIMPLIFY THE ACTUAL LICENSE STRUCTURE. THE FCC SHOULD CONSIDER THE ELIMINATION OF THE NOVICE CATEGORY AND MOVE ALL NOVICES TO TECHNICIAN. ALSO ELIMINATE THE ACTUAL ADVANCE CATEGORY AND MOVE ALL THESE OPERATORS TO EXTRA. AT THE END YOU WILL HAVE THREE CATEGORIES AND THREE THEORY EXAMS.

THE FCC SHOULD KEEP THE CW SUBBANDS FOR THOSE THAT WANT TO PRACTICE AND COMMUNICATE IN CW.
